Kay Levine, PhD
UH

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Addressing the challenges to mental health people who are providing support to the medical providers during COVID-19
- 2 Similarities and differences between the current mental health work with medical providers during COVID-19 vs. other kinds of disaster mental health work
- 3 Some thoughts of what can be helpful to the mental health providers and to those medical providers they are helping during and after COVID-19.
