CONTINUING MEDICAL EDUCATION

Pulmonary Science & Pulmonary Case Conferences - 11/22/2019 – 39471-39448

Date: November 22, 2019

Time: 8:00 AM-9:00 AM

Rainbow Amphitheater

Richard Silver, MD

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 To become familiar with the limitations of current TB vaccination with the Bacillus of Calmette and Guerin (BCFG)
- 2 To understand the rationale for investigating latent tuberculosis infection (LTBI) as a model of protective immunity within the human lung.
- 3 To become familiar with ongoing studies at CWRU utilizing global gene expression technology to evaluate Mtb-induced signatures in LTBI and following intradermal (ID) and oral (PO) vaccination with BCG.

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
