Presented by:

**Muhammad Awais Aftab, MD**

NBH Unit Psychiatrist

# WHAT IS MENTAL DISORDER? EXPLORING PSYCHIATRY'S PHILOSOPHICAL FOUNDATIONS

### Educational Objectives

At the conclusion of this activity, the participant should be better able to:

1. Recognize fundamental conceptual questions surrounding the definition and nature of mental disorder that are a source of controversy within the profession
2. Identify and critique key philosophical perspectives on mental illness, including the DSM, critical views of Szasz ("myth of mental illness"), and the evolutionary approach of Wakefield.
3. Appreciate the interplay of scientific facts and value judgments – formalized in the philosophical positions of 'naturalism' and 'normativism' – as it relates to the concept of mental disorder.

### Accreditation and Credit Designation Statements (CME)

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of **1.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Planning Committee Disclosures:** Joy Stankowski, MD, Danile Ionescu, MD; Alan Pires, RPh, MS, and Debra Davis, MEd, reported no financial relationship with a commercial interest relevant to this activity.

**Speakers Disclosure:** Muhammad Awais Aftab, MD; reported no financial relationship with a commercial interest relevant to this activity. Reported no off label/investigational use of a commercial product.
