

CONTINUING MEDICAL EDUCATION

Key Prescribing Considerations in the Treatment of Venous Thromboembolism – 58494-58144

Date: April 5, 2023

Time: 8:00 AM-9:00 AM

Other

Lindsay Finnerty, PharmD
University Hospitals Portage Medical Center

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Discuss parenteral and oral formulary anticoagulants used in the treatment of venous thromboembolism (VTE);
- 2 Explain key dosing considerations for anticoagulants used in the treatment of VTE;
- 3 Apply UH guidelines for transitioning patients from one anticoagulant to another .

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
