Signature Health Grand Rounds - Building Safe Visibility for Black Boys

Date: June 20, 2024

Time: 8:00 AM-9:00 AM

Online

Latoya Logan, MSSA
Project LIFT Behavioral Health Services

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Review stigma and service inequity connected to current trends in mental health, social health determinants, and life stability.
2 Examine systemic practices perpetuating invisibility by highlighting the connection to traumatic stress, service disparities, and suicide prevention.
3 Identify effective strategies to create safety mentally, emotionally, physically, and environmentally by utilizing protective and cultural factors.

Accreditation and Credit Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint providership of Case Western Reserve University School of Medicine and Signature Health. Case Western Reserve University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians. Case Western Reserve University
