

CONTINUING MEDICAL EDUCATION

Spinal Cord Injury (SCI) Interdisciplinary Medical Professional Education Series - 6/17/2024 – 60667-59324

Date: June 17, 2024

Time: 12:00 PM-1:00 PM

Online

Gretchen Ferber, MD
VA Cleveland

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Describe the functional recovery priorities of people with spinal cord injury (PSCI) and identify trends based on a variety of variables, including level of injury, completeness of injury, injury over time, gender, age, and culture.
- 2 Identify the secondary complications priorities after spinal cord injury (SCI) and how they parallel functional recovery priorities.
- 3 Increase exposure to intervention preferences after SCI, including the process by which PSCI weigh the risk of worsening function and the benefit of increased independence.
- 4 Commit to asking individuals their priorities in the clinic setting to partner in achieving those goals.

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
