

CONTINUING MEDICAL EDUCATION

Department of Surgery Grand Rounds and Research Day - 5/08/2024 – 62115-59353

Date: May 8, 2024

Time: 7:00 AM-8:00 AM

Online

Julie Freischlag, MD
Wake Forest
Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Describe comparative effectiveness – both personal and medical.
- 2 List the primary risk factors for abdominal aortic aneurysms. (smoking, hypertension, genetic predisposition, hemodynamic factors)
- 3 Explain the impact of key factors on survival from ruptured AAA repair. (hospital teaching status, type of specialty training, rural hospital location, elective endovascular repair vs traditional open repair)
- 4 Discuss how work-home conflicts contribute to surgeon burnout, including comparing surgeons in dual physician relationships from other partnered surgeons.
- 5 Identify strategies for enhancing the lives of dual career couples. (coordinate schedules, day care in workplace, planning for spousal employment during recruitment, adjusted timelines for promotion and tenure).

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
