*University Hospitals Rainbow Babies and Children, University Hospitals Cleveland Medical Center Rainbow Babies & Children's Hospital*

**Educational Objectives**

At the conclusion of this activity, the participant should be better able to:

- 1 Examine a Pediatric Hospital Medicine case in which there was an error, unexpected outcome or patient death
- 2 Clarify the team based approach to children with concern for physical child abuse
- 3 Evaluate how the unexpected event occurred in the order to learn and prevent a similar outcome from occurring again in the future
- 4 Refine clinical knowledge, help the division identify and learn from errors, and will contribute to the improvement of patient care and safety
- 5 Access key concerning findings suggestive of physical child abuse
- 6 Discuss the work up required when evaluating a patient with concern for physical child abuse
