

CONTINUING MEDICAL EDUCATION

Orthopaedic Surgery Grand Rounds - Case Presentations of Complex lower extremity nonunions/malunions with Expert Trauma Panel Discussion 4/2/2025 – 66807-65104

Date: April 2, 2025

Time: 7:00 AM-8:00 AM

Wolstein Bldg. Auditorium

John Sontich, MD
University Hospitals

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Analyze the variables, both biologic and mechanical, that produce nonunions in an effort to achieve healing of the bone in the lower extremity
- 2 Develop strategy which addresses the unique anatomy of the lower extremity when choosing intramedullary versus extra medullary treatment and understand the advantages and disadvantages of each
- 3 Explore the options in the treatment of questionable infected nonunions vs probable infected nonunions with ring external fixation or internal fixation
- 4 Analyzed the unique setting of periprosthetic nonunions/malunions and how best to address the problem. The problem generated by total joint replacements and deformity will be presented and solutions will be offered and analyzed

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
