

## CONTINUING MEDICAL EDUCATION

## Enhanced Recovery Protocols in Liver Transplantation - Wednesday Anesthesia Grand Rounds - 5/21/2025 – 67575-65115

Date: May 21, 2025

Time: 7:00 AM-8:00 AM

Biomedical Research Building

*Ryan Nazemian, MD, PhD*  
*Lahey Clinic*

### Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 • Describe the most recent advancements in ERAS pathways in liver transplantation
- 2 • Evaluate criteria for early extubation post liver transplantation and assess its impact on ICU utilization, pulmonary outcomes and overall recovery
- 3 • Compare and contrast pharmacologic and non-pharmacologic approaches to perioperative pain control in liver transplantation

### Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
