

CONTINUING MEDICAL EDUCATION

Applications of extended platelet profiles in clinical practice – 68989-65106

Date: August 26, 2024

Time: 12:00 PM-1:00 PM

UH Cleveland Medical Center

Robert Maitta, MD, PhD
 UHCMC

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Discuss the biology of immature platelets and changes to counts
- 2 Explain the role of platelet profiles including immature platelets in thrombocytopenia-inducing diseases
- 3 Review platelet profiles important in determining responses to transfusions

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
