

CONTINUING MEDICAL EDUCATION

Molecular Mimicry in Peripheral Nerves: A Personal Journey from Hamburgers to Mice through Cleveland, Ohio – 69979-65169

Date: April 4, 2025

Time: 8:00 AM-9:00 AM

Kulas Auditorium

Eroboghene E Ubogu, MD
University of Alabama at Birmingham

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 1) Discuss my inspirations and journey as a physician-scientist
- 2 2) Discuss the molecular components of the human blood-nerve barrier
- 3 3) Explain the relationship between neural-vascular-immune cells in health and disease
- 4 4) Describe how molecular mimicry results in acute immune-mediated demyelinating neuritis in adult mice

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
