

CONTINUING MEDICAL EDUCATION

Rainbow Primary Care Institute CME Series - 10/9/2025 Review of Newborn Screening in Ohio – 71646-71420

Date: October 9, 2025

Time: 12:30 PM-1:00 PM

Brandon M Hoff, DO
University Hospitals

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Describe state laws regarding newborn screening in Ohio, and the professional and legal responsibilities of pediatricians.
- 2 Identify the most common and clinically relevant conditions detected by newborn screening in Ohio.
- 3 Differentiate which abnormal newborn screen results can be initially evaluated in the primary care setting versus which require urgent specialist evaluation.
- 4 Apply practical next steps in the management of an abnormal newborn screen, including communication with family, ordering confirmatory tests, and requesting support from specialists.

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 0.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
