

CONTINUING MEDICAL EDUCATION

Parkinson's Disease & Speech-Language Pathologist 71705-71697

Date: October 17, 2025

Time: 8:00 AM-9:00 AM

Online- Teams

Sarah Miller M.A., CCC/SLP
Audiology and Speech Pathology Service Care Line
Veterans Health Administration
Northeast Ohio Healthcare System

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- Identify the context of interprofessional education in geriatric care delivery
- Identify speech, voice, and swallowing disorders commonly associated with PD
- Understand the role of Speech-Language Pathologists in assessment and therapy for PD
- Review evidence-based therapeutic interventions including LSVT LOUD and SPEAK OUT
- Explore the importance of educating patients, caregivers, and multidisciplinary teams on communication strategies
- Discuss current research and emerging therapies in the management of PD-related communication disorders
