

CONTINUING MEDICAL EDUCATION

Fetal Case Discussion - MFM/Neonatology 10/6/2025 – 71816-71403

Date: October 6, 2025

Time: 8:00 AM-9:00 AM

Online

Kirat Sandhu, MD; Faysal Akbik, MD
University Hospitals

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Recognize the major etiologies of hydrops fetalis, distinguishing between immune and non-immune causes
- 2 Interpret key prenatal diagnostic findings and discuss available in-utero therapeutic interventions.
- 3 Plan perinatal and delivery management strategies through effective MFM–neonatology collaboration.
- 4 Apply principles of neonatal stabilization and postnatal management to improve outcomes in infants with hydrops fetalis.

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
