Transcutaneous Spinal Stimulation in SCI: Evidence, Knowledge Gaps, and Clinical Translation

Date: January 26, 2026

Time: 12:00 PM-1:00 PM

Online- MS Teams

Candy Tefertiller, PT, DPT, PhD, NCS
Executive Director of Research and Evaluation
Helen Phillips Levin Endowed Chair of Research
Craig Hospital

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Summarize the current evidence supporting the use of transcutaneous spinal stimulation in individuals with spinal cord injury.
- 2 Identify key knowledge gaps and limitations in the existing research that impact clinical interpretation and implementation.
- 3 Discuss practical considerations for translating transcutaneous spinal stimulation into clinical rehabilitation practice, including patient selection and integration with therapy.

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
