

CONTINUING MEDICAL EDUCATION

**RB&C Interprofessional Lecture Series: Pediatric Rehabilitation
 Medicine – 72073-71042**

Date: May 27, 2026

Time: 1:00 PM-2:00 PM

Rebecca Seigel, MD
Rainbow Babies & Children's
Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Describe the scope and core principles of the Physical Medicine and Rehabilitation (PM&R) specialty.
- 2 Outline the educational and training pathways required to become a Pediatric Rehabilitation Medicine physician.
- 3 Differentiate between the various levels of care in pediatric rehabilitation, including acute, subacute, and outpatient settings.
- 4 Explain the role of Pediatric Rehabilitation Medicine specialists across care settings, including inpatient consultation and outpatient management.
- 5 Identify common diagnoses and conditions managed by Pediatric Rehabilitation Medicine providers
- 6 Describe the process for evaluating, ordering, and coordinating durable medical equipment and orthotic/bracing needs in pediatric patients.

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
