

## CONTINUING MEDICAL EDUCATION

## Precision with Purpose: Rethinking Treatment Intensity in Localized and Oligometastatic Prostate Cancer – 77725-77724

Date: September 3, 2025

Time: 5:00 PM-6:00 PM

Rainbow Amphitheater

*Angela Y Jia, MD, PhD*  
Case Western Reserve University

### Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 • Evaluate the rationale for incorporating radioligand therapy into the curative-intent treatment paradigm for localized disease
- 2 • Interpret emerging evidence supporting total consolidative treatment in oligometastatic prostate cancer
- 3 • Assess the potential of investigational approaches to reduce systemic therapy duration while maintaining oncologic outcomes

### Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
