

CONTINUING MEDICAL EDUCATION

SCC Palliative & Supportive Oncology Grand Rounds - 5/19/2026 – 78528-73590

Date: May 19, 2026

Time: 8:00 AM-9:00 AM

Online

Ranjana Ravikumar, MD
University of Michigan
Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Recognize the presentation and palliative care considerations of leptomenigeal disease, including neurocognitive decline, symptom assessment, and implications for goals-of-care discussions.
- 2 Examine evidence-based approaches to the evaluation and management of refractory cough and respiratory symptom burden in patients with advanced cancer, including pharmacologic and non-pharmacologic interventions.
- 3 Discuss the role of interdisciplinary palliative care in supporting complex decision-making, symptom management, and alignment of treatment plans with patient values in advanced oncologic illness.

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
