

CONTINUING MEDICAL EDUCATION

Wednesday Anesthesia Grand Rounds - 7/8/2026 – 79796-78557

Date: July 8, 2026

Time: 7:00 AM-8:00 AM

Biomedical Research Building

Bryan L Benson, MD, PhD
 University Hospitals

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Describe how the clearance of rocuronium is altered by binding to sugammadex.
- 2 Describe how the pharmacokinetics of rocuronium, sugammadex, the rocuronium-sugammadex complex, and cisatracurium are altered by chronic kidney disease.
- 3 Summarize the current state of knowledge regarding relative safety and efficacy of rocuronium-sugammadex vs. cisatracurium-neostigmine neuromuscular blockade and reversal strategies for patients with chronic kidney disease.

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
