

CONTINUING MEDICAL EDUCATION

Journal Club - 8/19/2026 – 79802-78557

Date: August 19, 2026

Time: 7:00 AM-8:00 AM

Biomedical Research Building

Bryan L Benson, MD, PhD
University Hospitals

Educational Objectives

At the conclusion of this activity, the participant should be better able to:

- 1 Summarize the historical context and scientific basis of the ASA and WHO standard 5-minute interval for oscillometric blood pressure recording
- 2 Identify strengths and limitations of the "2.5 minute versus 5 minute" trial of oscillometric blood pressure monitoring intervals.
- 3 Delineate how this trial informs clinical practice in different settings (ambulatory, hospital, etc.) in context of differing anesthetic practice at the trial institution

Accreditation and Credit Designation Statements

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
